NOHALTEGKEETSROT

# NOHALTEGKEETSROT

## 1. Presentation:

- Composed of **15 independent persons** appointed by the Government based on their commitment to society and their skills;
- Composition (entrepreneurship, civil society, academia...)
  - ability to make **analyses from different points of view and outside of silos**
- Due to its field of activity, issues or themes are addressed in a **systemic way**;
- Elaboration of **position papers** addressed to the Gouvernement:
  - on demand
  - own initiative

## 2. Role of the Nohaltegkeetsrot:

civil society actor and  
partner of the  
Government

### Missions:

- Position papers (on demand or on own initiative)
- *Think Tank* (long-term perspective)
- Awareness-raising (general public)

### Ambitions are collective

Foster the pursuit of a more sustainable world

Having a lasting impact

Being an actor of change (bottom up approach)

Being of use to the civil society,  
making sustainability understandable, bringing it down to street level
